## **RESCUE Intellitech Names Jamie Little as Director of Market Development and Customer Acquisitions North America.**

*Expansion of the North America sales team allows the advanced decon washer manufacturer to continue to provide unrivaled customer support within a fast-growing market.*

**KATY, Texas, October 17, 2022** – RESCUE Intellitech is proud to announce and welcome Jamie Little as Director of Market development and Customer Acquisition North America, effective October 10, 2022. In this new role, Jamie Little will be responsible for market development and customer acquisition based on deep experience and knowledge about firefighters' exposure to carcinogens and how to reduce the risk of developing cancer by washing their equipment.

Little is based in Katy, TX, and reports directly to the Vice President of Sales and Marketing North America of RESCUE Intellitech, Bjorn Rowland.

"Jamie is the ideal candidate to join our marketing and sales team. His skills span all facets of helping Fire Fighters fight cancer, and we are thrilled that he has joined our team," said Vice President of Sales and Marketing North America of RESCUE Intellitech, Bjorn Rowland. "With the addition to the North America team, the company can efficiently support continued growth while delivering exceptional customer service."

Previously, Jamie Little was the Special Equipment Service Technician with Atlantic Emergency Solutions and a Firefighter/EMT-B at Fairfax County Fire & Rescue Department. Jamie has also served as a Technical Panel Member at NFPA Fire Protection Research Foundation and Principle Committee Member at National Fire Protection Association

"I am excited to join the RESCUE Intellitech team and be part of a company that's making a difference in firefighters' lives," stated Director of Market Development and Customer Acquisition of RESCUE Intellitech, Jamie Little. "Firefighters risk their lives every day, and I want to make sure that we provide unparalleled service excellence for our customers so they can decontaminate their gear effortlessly."

RESCUE Intellitech began manufacturing decon washers ten years ago, and now over 500 are installed and used by fire stations worldwide. For more information regarding RESCUE Intellitech and its innovative solutions for helping firefighters and first responders fight cancer, please visit [rescueintellitech.com](http://rescueintellitech.com).

### **About RESCUE Intellitech**

RESCUE Intellitech, part of the Sandberg Development Group founded in the 1960s, offers innovative solutions that help remove work-related risks and make the work of firefighters and first responders easier, both before and after each emergency call. The RESCUE Intellitech Solo Rescue® and DeconWasher™ Pro S clean SCBAs, facepieces, and more, helping minimize cancer risk among firefighters and first responders. Other innovative companies in the group include AIMPOINT®, GRANULDISK® and Camurus®.
