RESCUE Intellitech Expands Sales and Service Team with Key Appointment

Expanding the North American sales team enables RESCUE Intellitech to maintain exceptional customer support in a fast-growing market.

MANASSAS, Virginia, June 25, 2024 – RESCUE Intellitech is proud to announce Brady Katt as the Western Region Sales and Service Manager, USA. Brady Katt, based in Sacramento, CA, will provide exceptional external assistance in both sales and service. He joins RESCUE Intellitech with a mission to strengthen customer relations and service in the Western region. Reporting to Don Fullmer, Director of Sales at RESCUE Intellitech, his extensive knowledge will be key in offering excellent sales and customer support, participating in trade shows, and meeting the specific needs of each client.

Brady's role is instrumental in nurturing key partnerships with clients, distributors, and partners and driving operational excellence, ultimately advancing RESCUE Intellitech's dedication to the safety and efficiency of the fire service community.

"We're thrilled to expand our team with Brady, whose skills in sales and service will be key in ensuring our 400+ units continue to perform at their best, while also driving new growth and opportunities in the Western region." said Don Fullmer Director of Sales at RESCUE Intellitech.

With over 850 decon washers installed globally, RESCUE Intellitech's decon washers make a meaningful difference every day. For more information regarding RESCUE Intellitech and its innovative solutions for helping firefighters and first responders fight cancer, please visit rescueintellitech.com.
